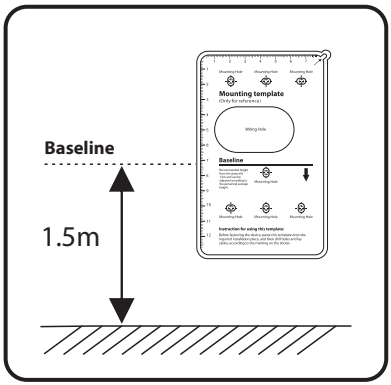
LFace10 Installation Guide

Version: 1.0

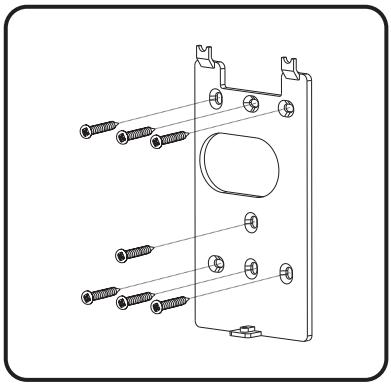
How to install the device?

1



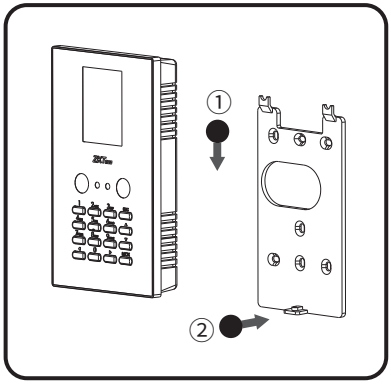
Attach the mounting template sticker to the wall, and drill holes according to the mounting paper.

2



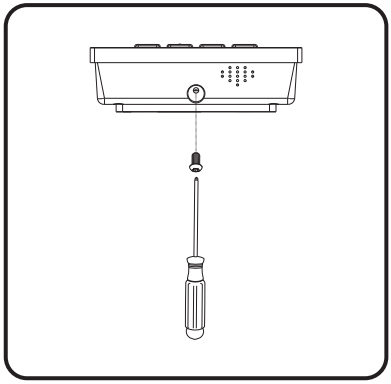
Fix the back plate on the wall using wall mounting screws.

3



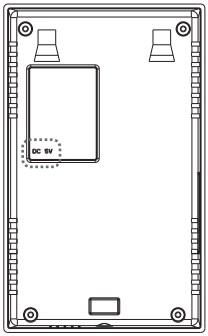
Attach the device to the back plate from top to bottom.

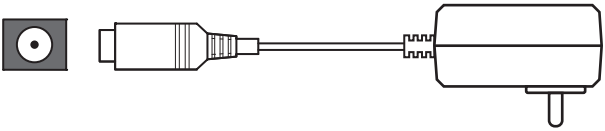
4



Fasten the device to the back plate with a security screw.

Power Connection





1. Recommended power supply: **5V-2A**
2. To share the power with other devices, use a power supply with higher current ratings.
